

# McAllister Mills

THERMAL COMPOSITES

Performance  
Engineered  
Products

**FLEXIBLE JACKETS REVOLUTIONIZED**

## OEM and Aftermarket Auto

Micropor ultrathin shields

OEM turbo covers

Custom turbo blankets

Emissions testing

Spark plug boots

Radiant heat shields

Adjustable wire covers

Gas analyzer jacket

Header wrap

Fuel pump jackets

Under carriage heat shields

Marine turbo jackets

Basalt pipe shield

OEM laminated heat shields

## Exhaust and Emissions

Black magma pipe shield

Adjustable radiant sleeves

Stealth exhaust insulator

Micropor ultrathin shield

Emission controls

Stealth turbo jacket

Radiant basalt shield

Micropor heat shield

Header wrap colors

# Process Industry

Hook & loop fastener

Steam trap cover

Glycol pump cover

Vacuum heat exchanger

Hose coupling insulator

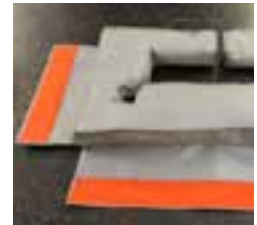

Steam trap cover

Steam trap audit card holder

Axion brand promise

Pump base cover

Chemical reaction tank

Molded 90 degree cover

Redundant safety fasteners

Plate heat exchanger

Globe & gate valve covers

# Power Industry

Heated transfer lines

Oil preheat system

HRSG penetration seal

Redundant safety closures

Tagged flange covers

Steam trap-high pressure

MPT control valve covers

Pressure transmitter covers

Expansion joints covers

Steam turbine insulator

Gas turbine insulator panel

PTFE-chemical protection

Quick release belting

Ganged insulation system

# Heat Trace Blankets

Heat trace cabling

Fluid storage vessel

Pre-heat pump build-up

Catalyst reactor

Silicone laminated heaters

Filtration jackets

Extrusion process control

Pharma process control

Sealed electrical connectors

# MRO Gaskets, Seals, Curtains, Blankets

Tacky gaskets

Metalized tadpole

Furnace curtains

MidSil tadpole mesh core

PTFE gaskets and seals

Ultrathin heat shields

Custom door seals

Metal ring inserted gaskets

Two style tadpole
